

Food Packaging Collection

The Clear Choice

LINDAR's food packaging collection is designed to exceed rigorous standards of safety and freshness while offering outstanding aesthetic appeal. Our FDA-approved food packaging is thermoformed in 100% recyclable, crystal-clear PET to optimally showcase your enticing bakery items, deli items, produce, herbs and more.

Benefits of Our Food Packaging

- ✓ **Maximized Product Display**
Our unique angled design and super-clear PET provide superior product visibility to entice customers and drive impulse purchases.
- ✓ **Industry-Informed Designs**
Our easy-to-handle packaging was designed to mitigate impact damage, hold items in place and offer improved strength, stackability and display.
- ✓ **Tamper-Obvious Closures**
Our SimplySecure food packaging features our patented tamper-obvious tab and perimeter snap for ultimate security.

Custom Packaging Solutions

At LINDAR we can help you design the perfect container for your products. Our innovation, creativity, and experience has helped countless customers create the exact container to meet their needs. Reach out to our sales team today to learn how we can help you make your own unique container.

Bakery Packaging

LINDAR's stock packaging fits many needs for bakeries, processors, grocery chains, and convenience stores. We stock items for your single serve requirements up to 24 count cupcake containers and can help you with your pie and cake packaging needs. If you don't see an item that works for your application please contact us. We have an extensive offering of non-stock and special orders items to fit your product.
